Other People's Money

The management of other people's financial affairs is a service requiring experience and understanding. The measure of good management of "other people's money" is found in the satisfaction of each client and his family.

The total amount of assets placed in Royal Trust's care has climbed steadily over the years until it now exceeds $2.7 billion, or about 30 per cent of the total trust business in Canada. The confidence thus expressed reflects the satisfaction of those we have been privileged to serve. We welcome the opportunity to discuss our services with you.

- Executor and Trustee under Wills
- Trustee under Deeds of Trust
- Administrator or Agent for the Heirs in Estates where there is no Will
- Agent or Attorney for Executors
